Marilyn Leach-Williams serves as the Community Outreach Director for Ruby A. Neeson Diabetes Awareness, Foundation, Inc.

Marilyn serves as a key leadership member and an active participant in making strategic decisions affecting the organizations growth and sustainability.

Marilyn joined the organization in March 2014 after a year as a dedicated volunteer. In her position as Community Outreach Director, Marilyn serves as lead coordinator of the annual community outreach mission, Taste of Health Wellness Expo. She is also a diabetes advocate responsible for programs and services sustainability through relationship management, marketing, and media; and resource development activities. She aids the governing board by expanding Ruby A. Neeson Diabetes Awareness Foundation, Inc. mission.

As a trained Community Health Worker, she holds certifications through Morehouse School of Medicine iADAPT 2.0 Project, and the CDC National Diabetes Prevention Lifestyle Coach Program.

Marilyn is a graduated of Michigan State. As a proud member of, Alpha Kappa Alpha Sorority Inc., Marilyn understands the importance of service and leadership.
